Dogs

Balance is your superpower, and your wag sets the rhythm. This month, you're the diplomat of the dog park—turning growls into games and walks into waltzes. Every nudge of your nose reminds your human that harmony isn't found, it's made.

Cats

You are elegance incarnate, perched perfectly between shadow and sunbeam. Your slow blink is a benediction, your purr a mantra. This season, you teach your humans that serenity isn't something to chase—it's something to curl up inside.

Color me in and/or cut along dotted lines. Fold in half, taping the edges to create a card. Read out loud to your cat or dog, and embrace its wisdom.
