Dogs

Loyal, intuitive, and fiercely devoted, you feel everything — and love even harder because of it. You're the soul of your family, sensing emotions before they're spoken. This month, remind your humans that love is strongest when it's steady and sure.

Cats

Mysterious, magnetic, and wise beyond words, you glide through life with quiet grace. You sense your human's moods like weather — gently shifting to comfort or calm. This month, your gift is transformation. Wherever you rest, peace follows.

Color me in and/or cut along dotted lines. Fold in half, taping the edges to create a card. Read out loud to your cat or dog, and embrace its wisdom.
